Telephone: Day _____ Evening _____

Builder or Architect _____

Address _____

Telephone: Day _____ Evening _____

I have obtained the required "Information and Regulations for Homebuilding and Remodeling in Shelter Bay" dated _____.

Request for _____

Approval of this permit may be revoked if construction does not begin within 90 days of approval, or if construction does not conform with the documents submitted, or if any required County **and/or Tribal** Building Permit is not obtained in a timely manner. Approval is limited to those matters covered in the "Information and Regulations for Home Building and Remodeling" (location on lot, height, color, etc.) and does not constitute approval of or an opinion on the structural, electrical or mechanical elements of the building, nor on the efficiency of the drainage plan.
