ANNUAL REPORT TO THE BOARD OF DIRECTORS

By the
HARBOR COMMITTEE
FY 2010 thru FY 2011

The Harbor Committee has been working on the following projects during the past year.

NORTH HARBOR DREDGING

Bid specs and scope of the work is nearing completion, and bids will be sent out shortly.

DREDGING HARBOR ENTRANCE

This has been tabled until 2012 and at that time a thorough review will be made of the project.

BANK STABILIZATION

The Harbor Committee is working with the Building Committee and has had one meeting with the Tribe. The permitting process procedures are being written.

WEED SPRAYING

Aquatic friendly weed killer is being applied to the banks, etc, of the marina.

FINGER DOCKS

Bids have gone and have been received to construct new finger docks. The low bid was Northwest Docks of Anacortes. A survey will be taken to determine the finger docks which are in need of replacing now, and are in need of replacing for possible safety concerns.

FY 2011-2012 OPERATING BUDGET

Approved and is being forwarded to the Board.

Respectfully,
Henry Carsberg, Chairman
